

Certificate of Accreditation

Awarded to:

Journey Development Programs

By the:

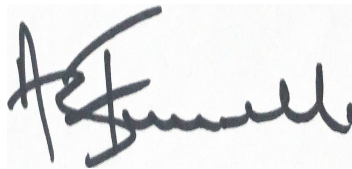

ASSOCIATION FOR EXPERIENTIAL EDUCATION

On May 21, 2025, PROGRAM

Journey Development Programs was found to meet the accreditation standards for *Adventure Programs* by the Association for Experiential Education.

This accreditation certificate is effective through May 21, 2028, and is evidence of the organization's compliance with the association's standards on the date it was issued, including:

- Dedication to the Association's philosophical, educational, ethical, environmental, and cultural tenets;
- Maintaining appropriate risk management plans, licenses, certificates, permits, and insurance;
- Employing qualified staff and conducting ongoing in-service education;
- Conducting all activities currently listed in promotional materials appropriately; and
- Working only with those individuals identified as appropriate for the program
